GREAT FRESHET-HEAVY LOSS OF PROPERTYand nights, which, together with the melting snow | their line. from the adjacent mountains, has swollen the difin the great freshet of March, 1791.

thought or talked of but the flood, and hundreds of for ordering our work from abroad, when we can is the most satisfactory attestation of the our citizens, of all ages, sexes and colors, crowded have it as well done, and on as reasonable terms, at character of a gentleman and patriot whilst along the river bank to beheld the turbid waters our own doors. We have resources for manufactodash impetuously forward, carrying everything ries unsurpassed anywhere, and when men come away by their irresistable power, bidding a sullen among us to develop these resources, let us patrondefiance to the weak efforts of bystanders to prevent | ize them. them from accomplishing their destructive purposes.

The losses to the people throughout East Tennessee by the flood are very heavy. Messra. L. J. and C. W. Coker have sustained a very heavy loss, con- is as follows: sisting of machinery and lumber. Their extensive establishment near Parks' farry, on the Holston, which was almost new, was carried away, consisting of a saw mill and grist mill. They also lost at the same place about six hundred thousand feet of lamber.

The steam saw mill of C. W. Park was almost entirely swept away, and their valuable machinery

The valuable machinery at the mouth of first creek, the property of S. T. Atkin, which has been the entire community, it being the only establishment of the kind in the city.

The old red warehouse which stood on the bank of the Holston here, was carried away, and sailed majestically down the river, no doubt the largest "craft" that has ever gone down the waters of the

The bridge over the Holston at this place, built by the military authorities, and since purchased by the county, after standing up nobly against the waves for full twelve hours longer than was expected by its most sanguine friends, was finally compelled to yield to the irresistible power of the madlened billows, and gave way, to the sorrow of the

The Main street bridge, over first creek, at Mc Clanahan's mill, was almost entirely destroyed. The Cumberland street bridge, over the same creek, was kept to its place by the energy of Judge Jones, but is very much damaged.

Numerous dwelling houses were carried away, and many others seriously damaged.

The Railroad bridge over the Holston at Strawberry Plains was swept away, or at least three spans, two of which were caught against the piers of the projected bridge of the Knoxville and Charleston road here, and by the energetic efforts of some of valuable in the reconstruction of the bridge.

The news from the surrounding country, though kind is left standing on Little river, while dwelling evening, pay your money, and see "Hun-ki-do-ri." bouses, barns, out-houses, and property of every description on the river, is entirely destroyed. French Broad river, it is said, has been fifteen feet higher than has ever before been known by the oldest in-

resume, be in running order soon.

see and Georgia roads, but at present we are unable | business. to say to what extent they have been damaged, other than the loss of Strawberry Plains bridge, mentioned above.

FROM CHATTANOOUA .- The water, we underis gone. On the Nashville and Chattanooga road, we learn the Bridgeport bridge over the Tennessee river is gone. The trestle bridge over Running Water is also gone.

FROM CHARLESTON.—The Hiwassee covered the greater portion of this village, and was within twenty-three inches of the Railroad bridge at that

FROM THE RAILROADS.—We are happy to say that though this road has been seriously damaged, the energetic officers of the road bave made arrangements whereby travel will soon be resumed over it. little delay.

The East Tennessee and Georgia Road, whose offloers know no such word as fail, will also at once have arrangements whereby the mails and passenbridges have been taken away.

East Tennessee and Georgia Railroad, from Cleve- of the County Court on the first Monday of April.

"Have just heard from Chattanoega. Ragsdale has saved all our cars and freight. Nashville and pot of the State road. Water over the engine in the shed. Smith returned from Dalton, and reports the State road in bad condition. Telegraph line down. Some days before passengers can go South."

FROM KINGSTON.-Judge Hall and others came tre hearing from almost every direction. A portion of the village has been taken away, and other she died next day. portions very much damaged, while the loss of grain, fencing, and every kind of moveable property, is apparalleled. The steamer " Mary Bird " also came

FROM CONCORD .- We have it from the most retable authority, that the loss of grain, stock, and improvements in the neighborhood of Concord, will & Wilson in another column. The well known amount to at least one hundred thousand dellars. business capacity and reliability of these gentlemen,

Farmers, who a few days ago had their thousands insures them a liberal share of patronage. of bushels of corn, have not a bushel left. LET US HAVE A PERMANENT BRIDGE.-There

subject of erecting a permanent bridge over the Allan's. Give them a call, two doors south of the Holston river at this place, than now. We have post office. had the use of the military bridge, which was swept away by the flood last week, long enough to begin appreciate the conveniences of such a thing.

when this is done, we confidently expect a corres- produce. ponding activity on the part of those of our people who are most interested. Surely enough energy and enterprise is to be found among us to push forward a work so indispensable to our prosperity. Let us then go to work with a determination to sucwed, and the work will be accomplished. We will ay nothing at present as to the investment in such thing, being eminently a paying one, but may al-

aunily, as well as the community at large, have sufof an irreparable loss,

KNOXVILLE FOUNDRY .- We took occasion a fe days since to visit the Foundry and Machine Works of Mesers. North & Quaife, of this city. There we found what the whole country is interested in. Their machinery is of a superior quality-they employ good workmen-and the firm is composed of our best citizens; therefore these who deal with said by the radicals in Nashville that Goverthem may rely upon obtaining anything in their nor Brownlow proposed suppressing the

line on the most satisfactory terms. They have a very large variety of castings, such as are generally used throughout the country by mechanics and farmers, and our citizens therefore are not reduced to the necessity of sending elsewhere for their castings. They are ready to man-DELUGE OF WATERS UNPARALLELED IN THE Ufacture steam engines, water wheels, mill gearings, HISTORY OF THE COUNTRY .- Never in the history smut mills, plows, stoves, grates, hollow ware, corn of the country has such a deluge of waters covered | shellers, and a thousand other things too tedious to the land as did here during the past week. The mention; therefore do not fear that you will fail to rain fell in torrents, at short intervals, for four days | get yeur orders filled for anything you may want in

They expect soon to enlarge their business, by ferent streams of water throughout the country to building additional apartments to their already thing. He is entirely indifferent as to the such an extent as has never previously been known. large establishment, and if the people will only The Holston at this point is higher than has ever patronize home industry, we can assure the public been known by the oldest inhabitants, being, from generally, from what we know of these men, that the most reliable information we have been able to they will conduct business on a grand and sure scale, gain, about seven or eight feet higher than it was such as will redound to the honor of our section of For the greater portion of last week, nothing was benefits therefrom. We can see no good reasons ble men, its denunciation and "bitterness"

> MUNICIPAL ELECTION.—The result of the municipal election in East Knoxville, on Saturday last,

For Mayor-M. L. Hall.

ALDERMEN. First Ward-M. J. Childress and E. S. Shepard. Second Ward-H. E. Glass and J. P. Berry. Third Ward-Henry Davis and Samuel McLe-

Fourth Ward-Luke Wilds. In this Ward Moses Claiborne and J. R. Ludlow received an equal number of votes, consequently only one Alerman was elected.

We are astonished to learn that some parties have run by Messrs. Gasper & Davis, as a sash, blind and declared a purpose to contest the election of Mr. door factory, was carried away, entailing a heavy Hall as Mayor, on the ground that illegal votes were murder been committed upon a man entired loss on the owners, and one of much importance to cast for him. If illegal votes were polled for him, would seek to prevent justice being done.

KNOXVILLE AND CHARLESTON RAILBOAD .- The Saulpaw & Co. The gentlemen composing this company are experienced workmen, having completed some of the best work of the kind ever done country is one of the most important rights.

Sively Mormon Territory.

The Encroachment of the Mormons. The conduct of the Mormons in Utah is again exciting attention, and becoming so outrageous that it is difficult to see how the strong hand of Government can long abstain from interference. Not only has a from his family by five or six conspirators, we can prove that illegal votes were cast against but another man, Captain Brown, was wayhim. There are other facts which might be brought laid and made to promise to leave Utah, out that are by no means favorable to those who while the Vedette newspaper has also been threatened and one of its editors beatenthe agents asserting that they acted by authority in all these instances, and the whole thority in all these instances, and the whole contract for the masonry of the Holston and Little River Bridge has been closed with George W. all "Gentiles," and render Utah an exclu-

the superstructure of these bridges, and will be ready to place it upon the masonry, as soon as comexperience teaches that it is not alone to armies and navies that we look for the preservation of our permanent national existence, but also to those iron bands, the railroads and telegraph lines, that we must look to keep in check a sectional spirit. We want as a people constantly to be nursing up a new fresh ties to bind together the up a new fresh ties to bind together the line of the President:

BELINQUENT STOCKHOLDERS IN this Company are hereby notified to call at the Office of the Company in Knoxylle, and settle their subscriptions for stock immediately, otherwise suit will be instituted at once. By order of the President:

By order of the President:

R. CRAIGHEAD,
Sec. and Treas. R. and R. Railroad Co. people of so vast an extent of territory as ours. The segregating and exclusive policy of sectionalism has cost too much ever again to be tolerated. There must be full

freedom for every man to settle everywhere he pleases in the land without molestation. It is by the free circulation of ideas and principles that their truths are diffused, to arms which result from narrow and local prejudices. Let the Mormons once become a religious sect, expelling foreigners from a vast territory in the heart of our continent, and the citizens of the pacific expelled by the uprising of the Christian population.

Many of them ignorant, and most of them morally tainted by principles at war with all the soundest laws of justice, morality and religion, they cannot with safety be allowed to have sway in the centre of our land and expel the very soldiers who fought to preserve our national existence. It is not the less our duty to look after this matter because it is not our men alone who suffer by the growth of this insolent oligarchy. It is the women and children who become the real prey and suffer most bitterly. Spoiled of their beauty, the women become, not the companions, but the slaves of come, not the companions, but the slaves of their so-called husbands, while the children much as these Mormons have, we should noyance and injustice they are at Salt Lake. Spain could not hold that island for a day.

FOR SALE.

SALE OF LAND NEAR JONESBOROUGH. TINLESS SOONER DISPOSED OF BY private contract, I will sell at public auction on the 1st
Monday of April next, at the Court House door in Jonesborough, Tenn., the farm on which I formerly resided, situated
about one mile East of Jonesborough, on the public road leading to Elizabethton and the State of North Carolina. The
farm contains about 180 acres. The residence upon it is one
of the largest and most desirable cottage buildings in East
Tennessee. There is also a large barn, carriage house, and numerous other outhouses. The location is elevated and healthy, wit other outhouses. The location is cievated and hearth, a fine view of the mountains. At the same time and place, I will sell a tract of wood land, containing about twenty-five acres, situated within a mile of the residence but not actually

cres, situated within a mile of the residence but adjoining the same tract.

The property will be sold on a credit of one, two, three and four years. The purchaser will be required to give notes with good security bearing interest from date, and a lien will be retained for the payment of the purchase money.

Dr. Paniel Kinney, Br. William R. Sevier, or any other old citizen of Jonesborough, can give strangers the necessary information as to a more particular examination of the property.

Tab. 13, 1867.
